

## WIFLE MEMBERS-ONLY SCHOLARSHIP PROGRAM BACKGROUND

In 2008, the WIFLE Foundation established a “Members-Only” sponsored scholarship starting in 2009 open to all regular and associate members of Women in Federal Law Enforcement, Inc. The yearly scholarship is for \$3,000 and selected from the total number of member-sponsored applications received each year. This scholarship was created to encourage our members to become mentors and reach out to those women considering a career in law enforcement or those students actually pursuing a degree in a related field. And, to encourage members who are working in full-time law enforcement jobs to apply if the member is pursuing a graduate degree at accredited on-line university which also incorporate a two-week residency program.

In addition, this scholarship, once awarded to a deserving individual, will automatically renew for one additional year. Thus, the individual receiving the award will receive \$1,500 for two successive years of college or graduate work, for a total of \$3,000 to be awarded to the individual.

Each member, current as of February 1, 2022, is eligible to sponsor one full-time student pursuing a law enforcement-related degree for a WIFLE scholarship. This members-only sponsored scholarship is also open to members themselves who meet the criteria. Members may sponsor either themselves or one individual for this scholarship using the “Members-Only Sponsored Scholarship Application.”
