INTERESTED AGENCIES

This year, the WIFLE Annual Training's Career Fair will have a virtual component allowing agencies to attract top talent from around the country while exhibiting at the WIFLE Training in Tampa. During the WIFLE Annual Training, FEDagent Editor Natalia Castro will stop by your booth to ask a few questions about your agency and job opportunities. The interviews will be streamed on YouTube.

If you have a career opportunity you would like to highlight or have suggested questions for the Virtual Career Fair, contact Ms. Castro at ncastro@shawbransford.com.

Concerned about appearing on camera? Want to pre-record? Don't worry, we got you covered! Our team will work with your agency to ensure your careers opportunities are promoted and your privacy is maintained.

Virtual Career Sponsored by FEDagent

FEDagent is a *free weekly* E-Report providing up-to-date news for 1811 Special Agents and other federal employees engaged in the mission of federal law enforcement and homeland security. From top news stories in the federal law enforcement and homeland security arena, to understandable reporting on key court decisions, we deliver unfiltered, unbiased news in an easy-to-read, straightforward format, designed to keep our readers informed about their work force. **Visit us at fedagent.com**
